15. SWOC Analysis (strength, weaknesses, Opportunity and Challenges)

This college imparts education to students with a view to empower them through the light of knowledge and has been serving generation with its unique and innovative ways of teaching learning and reaching out to the society. It illuminates the heart and mind of the students and gives leadership in standing for a good cause. The young students educated in this campus go out with a purpose to contribute to the society by doing justice to their profession, building ideal families and rearing a new generation with values.

- One of the main reasons of its popular acceptance and recognition is that it is an only college situated in this tribal belt.
- Inspiring quotes are displayed on the walls of the building to motivate the students and faculty both.
- Numerous facilities, scholarships and financial aids are available to meritorious and deserving students.
- Unlimited extension opportunities to students with an ardent sense of responsibility, Rural Camp, Eco-friendly, Awareness rallies, skill oriented programmers.
- Institution has qualified and competent staff and faculty which continuously works to achieve success.
- Strong mentoring and student support system takes care of all students.
- Focus on personality development of each student through development of positive attitude, leadership qualities and self awareness.
- College has Clean, Green and pollution free campus.
- Continuous evaluation of students by CCE, helping them to assess themselves.
- College has well equipped laboratories in the science subjects and well equipped Computer lab also.
- College has Common Room for girls.
- College has Shikshak Abhibhavak Yojana to interact with parents.
- College has elaborate system of Feed Back received from the students on curriculum and teaching.
- College organizes different Campaigns for awareness, both in rural and urban areas through NSS. College provides a variety of Scholarships for financially weak.

WEAKNESS

- Lack of permanent staff.
- Research facilities are not up-to the mark.
- College needs more infrastructural facility like Building, Classrooms, and Laboratories etc.

as all the Gross Enrolment Ratio is far increasing.

Poor execution of student centric activities due to very low financial status of the students.

OPPORTUNITY

- Increasing awareness towards student.
- Career guidance to all students.
- Personality development and mentoring.
- Providing Expertise to the society by development Consultancy services.
- The students are made efficient through various self employment skills.

CHALLENGES

- High Teacher student ratio.
- Students belong to the orthodox families, (Early marriage and other conservative views of the families) create difficulty in imparting scientific knowledge which is another challenge that faculty faces.
- Commuting time between their home and college is more since they come from far places and transport facilities is not there.
- For good placement grooming the students and upgrading the communication skill.
- Limitation and constraint in government financial support.
- Posting regular faculties against vacant posts.

FUTURE PLAN

- College has sent a proposal for providing Bus facility for the students.

Date on which all applicable fields of the Data Collection Format for the All India Survey of Higher Education were completed and submitted **-16 December2020**

Instructions

- All data is to be reported as on 30th September of the current year.
- Postgraduate courses refer to courses at the Masters and MPhil level.
- The number of sanctioned seats is the number of students the college is authorized, by the UGC/DHE/affiliating University, to admit in the first year of its degree programs.
- The number of sanctioned faculty posts is the number of faculty the college is authorized, by the UGC/DHE/affiliating University, to recruit on a full-time basis.
- Enrolment is defined as the number of students who have paid their admission fees for joining a degree program by September 30 of the respective academic year.
- Admission is defined as the number of students who have paid their admission fees for joining a degree program, in the first year, by September 30 of the respective academic year and who have never been enrolled in that degree program previously.
- Other Reserved Categories include all categories of students (for e.g. sports quota, extracurricular quota, residents of Jammu and Kashmir etc.) for whom a fixed percentage of sanctioned seats are reserved.
- Examination results are to be reported for examinations held in the previous academic year, and the results for which were declared by 30th September of the current year.

- Allowed to keep terms refers to students who did not pass all subjects in the previous year but were allowed to transition to the next year of their respective degree programs.
- Regular faculty refers to faculty employed on open-ended, full-time contracts as per UGC norms.
- Contract faculty refers to faculty employed on fixed term, full-time contracts as per UGC norms.
- Guest Lecturers refers to faculty employed on a per lecture or per day basis as per UGC norms.
- Data on scholarships is to be reported on all scholarships awarded between 1st October of the previous year and 30th September of the current year.
- A hostel seat is considered occupied if a student has been allotted a seat in the hostel and the student, to whom the seat was allotted, has paid the hostel fee for the current academic year.
- Examination results refers to the average score obtained by a student, in the respective academic year, across all exams that are used to assess whether the student has met the requirement of the degree program in which he/she is enrolled.
- Student tracking refers to having up to date contact information (mobile phone and/or email address) and status (employment, unemployed, in formal education or training, not in the labour market/other) for each student for up to six from the end of the academic year when the student passed out (graduated).
- Externally funded research and consultancies refer to research and/or development funded through consultancy contracts or partnerships with a sponsor or purchaser who is external to the institution.
- A peer-reviewed journal is one that subjects an author's research to review and evaluation by others who are experts in the same field, before the research is published.
- An international journal is one that has an International Standard Serial Number (ISSN) issued by the ISSN International Centre.
- A paper is said to be published through cross-institute research collaboration if the primary affiliation of at least two authors is to different colleges/institutions.
- The institutional performance indicators common across all institutions can be found in the PIP. Institution-specific performance indicators can be found in the MOU signed between the Institution and the Department of Higher Education.
- The standard Chart of Accounts refers to the standard format for audit reports as notified by the Department of Higher Education through its orders.
